Community-Based Doula Accreditation

Healthy Baby Network has received national Accreditation through HealthConnect One's (HC One) Community-Based Doula Accreditation Program for 3 years.

Healthy Baby Network underwent a rigorous review process with HealthConnect One's accreditation team where the program was assessed based on HealthConnect One's five essential components and its standards and indicators which evaluates the organization's existing community-based doula program to ensure high-quality implementation. We are the only accredited program in Rochester.
